

Payments from Suspense – Sometimes payments are held in suspense because of transfer of property, assignment of interest, notice of death, lack of address, etc. Whenever this happens, payments due to the owner are accumulated and released when the matter has been resolved.

Minimum Payments – Payment proceeds may accumulate to \$50 or be paid annually, whichever occurs first. Or, by option, you may request receiving payments of \$25 or more monthly. Payment proceeds less than \$10 may accumulate, but will be remitted when production from the lease ceases or Coffeyville Resources Refining & Marketing, LLC is no longer the purchaser of production from the lease. You may receive amounts less than \$10 annually, if requested.

Change of Address – Please notify us promptly of any change in your mailing address. This notice must be in writing, along with your signature. Please include your owner number, your old address, and your new address with your zip code. No address changes will be accepted by telephone.

Changes in Ownership – Please notify us promptly of any change in your ownership. This would include sale, transfer, or assignment of your oil interest.
