

PRICE BULLETIN TERMS AND CONDITIONS

Prices are based on quantities computed on 100% tank tables or mutually acceptable automatic measuring equipment corrected for temperature to 60 degrees Fahrenheit with full deduction for basic sediment and water.

All crude oil and/or condensate purchased shall be of merchantable quality, unaltered and uncontaminated by any foreign substances or chemicals not normally associated with such oil, and which is suitable for normal refinery processing. Applicable measurements, deductions, and adjustments for temperatures, BS&W, and gravity will be made in accordance with the rules and regulations of Coffeyville Resources Crude Transportation, LLC, and any applicable regulatory body. All base prices are subject to change without notice and subject to the Terms and Conditions of the applicable Division Orders. Coffeyville Resources Crude Transportation, LLC reserves the right to refuse crude oil or condensate having a Reid Pressure of 10 PSI or above.

If applicable law or government regulations require adjustments to Coffeyville Resources Refining & Marketing, LLC prices or effective dates, Coffeyville Resources Refining & Marketing, LLC reserves the right to amend this posting and recover any excess payment by withholding payments from future settlements or by separate invoicing.
